

# COMBIBOARDS

Impressive look and color to your space

Build a spectacular ensemble, playing with enamel steel, glass and fabric surfaces. Create colorful and varied entities in your space. Combine different sizes of the boards, as well as colors, from both glass and fabrics.

Play with the fabric colors of the Combiboard. Max Cotton fabric is 100% cotton and offers 25 different color options. We also supply Combiboards with any special size or fabric options you want.

Sky Combiboard combines fabric notice board with an enamel steel writing surface into one impressive set. Sky trim brings airiness to your board, which "floats" on the wall.
