

# HUSH ACOUSTIC MOBILE PANEL

Eliminates background noise

The Hush Acoustic Mobile panel serves as both a space divider and a noise-reduction panel. The mobile panel is constructed using Ecophon acoustic panels and TK-Team's unique trim solution. The trims can be painted in the colour you choose from RAL colour chart.

Ecophon acoustic panels are 40 mm thick acoustic panels and You can select the desired colour from the Texona fabrics for the panel. You can also have an image printed onto the panel to freshen your work environment. The panels have been issued the Nordic Swan Ecolabel and they are recyclable. The wall dimensions are W 1200 x H 1900 mm and it is easy to move from location to another.
