

# WRITEWALL

Use the whole wall for writing

WriteWall is always tailored based on the dimensions of the wall on-site. It is made out of e3 Ceramic Steel panels and the writing surface carries a lifetime warranty. The panels are attached to one another seamlessly using biscuit joints or discreet 4 mm H-trim. The result is a nearly seamless working area. The stylish, thin, colour-matched WriteWall trimming finishes the beautiful writing wall solution.

WriteWall is also available as an unlisted Sky board, so it is floating on the wall. A full wall-size drawing or note surface is an excellent tool for brainstorming and workshops.

*You design -we make it happen*
