

HUSH FELT ROUND NOTICE BOARD

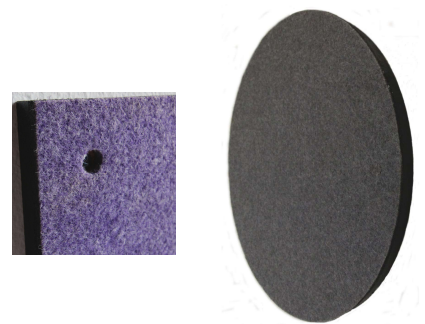

NEW! Multi-purpose notice board

Hush Felt Round Notice board reduces reverb in a room and the felt surface softens the look of the walls. The board is odorless and non-allergenic. The color range has a dozens of stunning color options to create great blends that bring spectacular color to the space.

Hush Felt Notice Round board is made of 6 mm Findeisen felt material with a backing substraight is 10 mm MDF. The board is fixed to the wall with a concealed fixings so that it is tight to the wall surface.

The edges are painted black.

Available in standard and custom sizes.
