

TEAM WORK EASEL

TK-Team mobile Team Work easel is the lighter cousin of our Work Wall. Engineered using lifetime warranted e3 ceramic steel dry-wipe writing surfaces bonded to a lightweight styrox foam core trimmed in white aluminium trim.

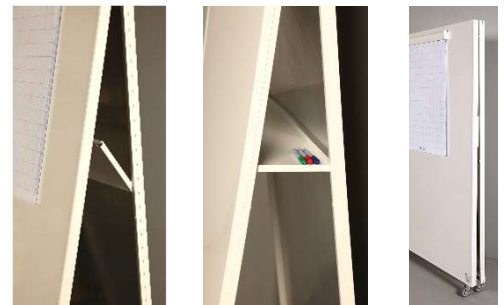

The robust and stable easel then folds up for easy storage.

A mobile magnetic whiteboard and flipchart easel with locking castors for safety. The board has been ergonomically designed with an optimum 12.5° writing angle. It has been designed to encourage group project work.

A full sized double-sided mobile magnetic whiteboard and flipchart easel that folds for minimal footprint storage.

A mobile magnetic whiteboard and flipchart easel with locking castors for safety. The board has been ergonomically designed with an optimum 12.5° writing angle.
